SESSION

# Senior Portrait Checklist

## EVERY GIRL AND GUY NEEDS

- **OUTFITS** - You get 3 outfits. Variety is key... casual, dressy and something that shows off your personality or hobbies. Or, a second dressy or casual outfit is good too!
- **ACCESSORIES & LAYERS** - Think hats, jewelry, scarves, jackets, or sunglasses to add interest, depth and variety to your look.
- **SHOES FOR EACH OUTFIT** - Make sure they match the vibe and are clean and photo-ready, even if you go barefoot in a few shots. Also, shoes for each outfit are important. It's noticeable when the same shoes are worn paired with multiple outfits.
- **FOR THE GIRLS.... UNDERGARMENTS THAT WORK WITH YOUR OUTFITS** - Plan for strapless bras, pasties or other seamless options depending on your outfit choices.
- **HAIR & MAKEUP TOUCH UP KIT** - I always highly recommend the girls to have their hair and makeup done professionally. Professional HUMA's know what works with portrait photography. But it's also a good idea to bring a small make up kit for touch ups along the way.
- **PROPS THAT REFLECT YOU** - Sports gear, musical instruments, art supplies, your pet (with prior notification of course), or anything meaningful to you and speaks to who you are.
- **WATER & SNACKS** - Keep your energy up, especially for those outdoor sessions or when sessions run long.
- **LOCATION & TIME DETAILS** - I will confirm with you locations and schedule, but be sure and put this on your calendar with reminders set.
- **CLEAN AND MANICURED NAILS, AGAIN-FOR THE GIRLS** - Hands show in close-ups and candid shots. Neat, well maintained and manicured nails (polished or natural) make a difference.
- **POSITIVE ATTITUDE AND CONFIDENCE** - This is your moment... relax, have FUN, and let your personality shine!
